

Wesley Knipe

Santa Cruz, CA · wes@wknipe.com · wknipe.com

Quantitatively trained analyst with experience in early-stage software, from customer discovery to go-to-market. Builds models and AI tools hands-on.

EXPERIENCE

Independent Analytics Consultant

Apr 2026 – present

- Analytics and modeling engagements through Guidepoint.
- Built Opportunity Atlas, a multi-model AI research pipeline that stress-tests business models. It uses backtests, calibration checks and cross-model audits to catch AI output that is confident and wrong.
- Built this site: the x402 Clean Index, its data pipeline, API and tools.

Go-to-Market, Business Development · Omni Analytics

Feb 2025 – Apr 2026

- Business development for a BI and AI analytics platform, working between marketing and sales.
- Commissioned by the operations team to build a statistical customer-churn prediction model (logistic regression).
- Worked with operations to improve the BDR workflow.

Product Management & Business Development · Innovation Within

Jun 2024 – Feb 2025

- Interviewed current and prospective customers to shape marketing strategy, the sales motion and product direction, alongside the founder.
- Closed the first sale of the relaunched Version 3 product.

Financial Advisor · Northwestern Mutual

Oct 2023 – Jun 2024

- Earned the SIE, Series 7 and Series 66 in two months.

Financial Associate Intern · Wilde Wealth Management

Jan 2022 – Mar 2022

Tutor: economics, statistics, accounting, math, English and law · Cal Poly

2018 – 2023

EDUCATION

B.S. Economics, Quantitative Analysis · Cal Poly, San Luis Obispo

2023

Minor in Statistics. Departmental recognition in Financial Accounting. Investments coursework built on the CFA curriculum.
